# multiPANEL

the luxury alternative to tiling

**High Performance**

**Clean**

**Hygienic**

**Easy to install**

**Easy to maintain**

**10 year warranty**

multiPANEL is a WBP plywood core wall panel bonded with a choice of 30 beautiful laminate finishes. With multiPANEL you can create a shower cubicle, kitchen splash-back or broad expanses of beautiful walling in a fraction of the time taken by conventional methods.

The panels can be applied to timber battens or directly bonded to the wall using a high grab adhesive. Tongue and groove edges allow a tight connection between panels and watertight sealing is achieved using silicone sealant at all joints.

Edge finishing and jointing strips 2.5m long are available in 5 finishes for fixing at internal and external corners, as well as end caps and capping pieces. Alternatively panels can be finished with a PVC edging to compliment your chosen multiPANEL décor.

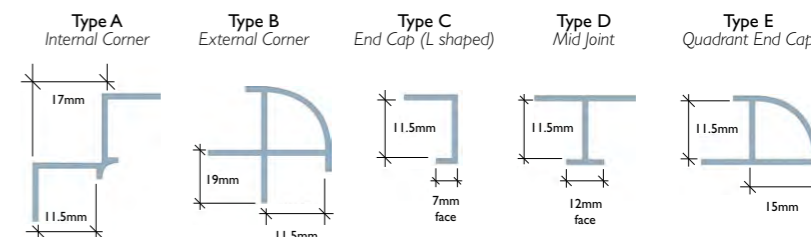

Available for delivery from stock to anywhere in the UK or from your local merchant or bathroom showroom, multiPANEL provides a stylish finish that suits all tastes.

### Technical Information

- 9mm WBP plywood core
- Bonded with decorative face and white balancer high pressure laminate
- 2400 x 1200 x 11mm (nominal 8' x 4') available from stock
- Panels can be cut to any size
- Tongue and groove joints can be manufactured on any size over 300mm wide
- Available in 30 colours

Grant Westfield offers a **10 year warranty** that multipanel will neither crack nor delaminate and will remain watertight if fitted and sealed in accordance with our published recommendations. Installation guidelines, warranty FAQ's and technical data are available on request or at [www.multipanel.co.uk](http://www.multipanel.co.uk)
